Santa Evita

Tomas Eloy Martinez

Santa Evita Tomas Eloy Martinez

Arjantinli ünlü yazar Tomas Eloy Martinez'in az rastlan?r bir yo?unlukta ve güzellikte kaleme ald??? ve Gabriel Garcia Marquez'in, "??te benim okumak istedi?im roman sonunda ç?kt?!" dedi?i bu roman?n ba?ki?isi, bir ceset: Ölümle birlikte beklenmedik bir boyuta eri?erek neredeyse "azize"lik düzeyine ç?kar?lan Evita Peron'un bedeni. Bir ülkenin hayal gücünü, hiçbir simge, Eva Peron'un bedeni kadar huzursuz etmemi?tir. Bu roman, o ünlü ki?inin hayattayken nas?l oldu?unu efsanevi bir biçimde gözler önüne sererken, onun mumyalanm?? cesedinin gömülene kadar y?llarca çakti?i bitmek bilmez eziyetleri ilk kez dile getiriyor...

Amazon Review

Among the great corpses of our age are Lenin, Mao Tse-tung and Stalin. Mao, at least, is still on view for the masses to see, some two decades after his demise. But no corpse engendered as much intrigue as that of Eva Peron. Elevated to near sainthood in Argentina after her death in 1952, her perfectly preserved corpse was seized by the Argentine Army following the ouster of her husband in 1955. By then her corpse had acquired the status of a sacred relic, and while army officials wanted to keep it out of the hands of Peronists, they were loath to destroy the corpse for fear of the backlash that might follow. Tomas Eloy Martinez has reassembled the story of the corpse of Eva Peron in *Santa Evita*, and in the process, produced a riveting, rich book that not only tells the tale of one of the more bizarre sagas in the history of South American politics, but that also gets to the heart of the age-old human impulse to create myths and tell stories. Review

"The most powerful work of fiction to come from Latin America since *One Hundred Years of Solitude*" (Alberto Manguel *Independent*)

"An extraordinary story of passion and craziness... You have to read this book" (Isabel Allende)

"Brilliant...a profound meditation on the nature and meaning of memory, the relationship between authors and subjects, and the anarchic drive of popular mythology...Few Latin American writers have confronted their countries' past with the wit, style and candour that Mr Martinez shows in *Santa Evita*...he affirms his place among Latin America's best writers" (Nicholas Shumway *New York Times Book Review*)

"A master novel... I got choked up, I suffered, I enjoyed, and in the course of reading I picked up bad habits and betrayed my most liberal principles...*Santa Evita* should be banned... or read without delay" (Mario Vargas Llosa)

"Dazzling Gothic novel, perverse love story, impressive horror story... a beautiful book, a miracle" (Carlos Fuentes) From the Inside Flap

From one of Latin America's finest writers comes a mesmerizing novel about the legendary Eva Peron. Bigger than fiction, Eva Peron was the poor-trash girl who reinvented herself as a beauty, snared Argentina's dictator, reigned as uncrowned queen of the masses, and was struck down by cancer. When her desperate but foxy husband brings Europe's leading embalmer to Eva's deathbed to make her immortal, the fantastical comedy begins.
