Encender La Noche Ray Bradbury, Noemi Villamuza

There was once a boy who shook with fear when night came. He turned on lamps and lanterns, lit candles, if he could, he would let the sun shine relentlessly. Until one day, a mysterious girl helps him discover that the night has a very special hidden light.

About the Author

Ray Bradbury was an American author of fantasy, science fiction, horror and mystery. Best known for his novel *Fahrenheit 451* and for the science fiction and horror stories gathered together as *The Martian Chronicles* and *The Illustrated Man*, Bradbury was one of the most celebrated 20th-century American writers. He wrote and consulted on many screenplays and television scripts, including *Moby Dick* and most notably, *It Came from Outer Space*, and many of his works have been adapted into comic books, television shows, and films.
