Revue de presse

Perfect if you're frequently found trying to spot shapes in the clouds. --Best Magazine

Now that's how you create art! ... For anyone (at any ages too!) who likes to draw, especially those like me who needs a bit of inspiration, Hirameki is perfect. --This is Life Blog

Put the felt-tips down - the next phase of the adult colouring craze is upon us, and it's the Japanese art of Hirameki. --The Sun on Sunday

'Great for those spare moments when your hands get restless and you just want to create something fresh and spontaneous' --Craft Stamper

'This quirky little book is perfect for moments of 'me' time when you want to forget the stresses and strains of the day.' --Craft Focus

'beautifully produced in full colour, on quality paper' --The Papercraft Post

A fun way to explore and discover and I can't wait to have a go with the kids. --Life at the Zoo.com

The ink blotty watercolour-esque patterns are beautiful, but should you feel inspired you can also pick up a pen and transform the ink blots into your own doodle. Such a cool idea. --Abigail Ahern Présentation de l'éditeur

Every blot's an inspiration

Every line is free

Unlock your imagination

Draw what you see

Hirameki - 'brainwave' or 'flash of inspiration' in Japanese - is where doodling and imagination come together. Simply put, it's the art of turning a random blot into something amazing, just by adding a few dots and lines. If it's true that you can find happiness in little things, this book should keep your eyes, hand and brain entertained for hours.
