Présentation de l'éditeur

This is the colourful and completely interactive activity calendar for girls and boys, designed to spark creativity and celebrate the joy of DIY. Each month, The Kid's Awesome Activity Calendar delivers a lively but unfinished scene rife with artistic possibility. Kids will be inspired to make it their own through colouring, drawing, and decorating with over 300 included stickers. Draw an alien spaceship in March. Help a hedgehog find his way to school in September. And, in October, visit a Monster Salon to give mummies, werewolves, and vampires cool hairdos. Parents and kids can mark important dates together, making the calendar fun for the whole family.
